

Tolcysten™

ANTI-FUNGAL SOLUTION

Patent Pending
Formulation

Tru-Flow™
Applicator Tip

Leak-Proof
Cap

Tolnaftate and Undecylenic Acid:

Can prevent fungal infections and act as a cleansing/emulsifying agent and organic preservative

Urea, Lactic Acid and Propylene Glycol:

Softens, thins, and lightens brittle and discolored nails while acting as a penetrating agent for the other ingredients

Joboba Oil and Vitamin E:

Moisturizes and revitalizes nails, while promoting healthy nail appearance and growth

The Tolcysten™ Difference:

- Combination therapy eliminates the need for multiple products.
- Applicator effectively dispenses medication under and around the edges of the nail.
- Alcohol base eliminates need for seed oils requiring artificial preservatives.

Dispensed by Physicians Only

Product Benefits	Toicylen™	Formula 3®	Tineacide®	Clarus™
